CUSTOMER SERVICE

The parties to this Agreement agree that the fundamental objective of the railroad, its management and employees, is to provide service to its customers in the most efficient manner. Accordingly, the parties agree that in interpreting and implementing this Agreement, paramount emphasis shall be placed on providing efficient service to customers.

SCOPE

These rules shall constitute an agreement between the APPALACHIAN AND OHIO RAILROAD, INC. and the INTERNATIONAL ASSOCIATION OF MACHINISTS & AEROSPACE WORKERS and shall govern the hours of service, working conditions and rates of pay of employees engaged in the work described in Appendix 1 and other employees who may subsequently be employed to do such work, represented by the INTERNATIONAL ASSOCIATION OF MACHINISTS & AEROSPACE WORKERS.

RULE 1

CLASSIFICATION OF SHOP CRAFT WORK

(a) The positions covered by this Agreement on the effective date hereof are as set forth in Appendix 1 of this Agreement.

NOTE: Any new positions created after the effective date of this Agreement to perform the work covered hereby shall be covered by the provisions of this Agreement.

(b) When a position covered by this Agreement is abolished, the work assigned to such position which remains to be performed will be reassigned pursuant to other positions covered by this Agreement.

(c) Work covered by this Agreement shall not be removed from the application of the rules of this Agreement except by mutual agreement between the parties signatory hereto.

(d) Other than cases of emergency or to expedite completion of work when a covered employee is not available, an officer or an employee not covered by this Agreement shall not be permitted to perform any work covered by this Agreement.

(e) The use of such words as “he”, “his”, and “him”, as they appear in this Agreement are not intended to restrict the application of the agreement or a particular rule to a particular sex, but are used solely for the purpose of grammatical convenience and clarity.

RULE 2

RATES OF PAY AND PAY DAYS

(a) Rates of pay for all positions shall be as set out in Appendix 1.
(b) Employees shall be paid every other Friday. Should the payday fall on a legal holiday, the employee shall be paid on the preceding day or days. Vouchers for pay shortages equal to one (1) day or more shall be issued upon request.

RULE 3
401(K)

(a) APPALACHIAN AND OHIO RAILROAD, INC. shall provide a 401(K) Plan for all employees covered under this Agreement.

(b) APPALACHIAN AND OHIO RAILROAD, INC. will be responsible for all costs of establishing the Plan. APPALACHIAN AND OHIO RAILROAD, INC. will also be responsible for Plan administration, including the making of payroll deductions, the semi-monthly payments to the designated trustee and all other in-house services normally provided by an employer in connection with the operation of a 401(K) Plan.

(c) Trustee and investment fees will be covered by Trust Fund earnings. In the event trust earnings are not sufficient to cover cost, APPALACHIAN AND OHIO RAILROAD, INC. will cover these costs. All other costs will be paid by APPALACHIAN AND OHIO RAILROAD, INC.

(d) It is understood that the Carrier’s basic annual contribution will be $200 to each employee’s personal account only if the employee contributes to the 401(K) plan the entire year. Employees who do not contribute due to medical reasons will be entitled to the payment, but employees off for discipline or because of a withdrawal of funds from the plan will not be entitled to the Carrier contribution. In addition, the Carrier will contribute 50 cents for every $1.00 contribution made by the employee to the Plan for an additional maximum Carrier contribution of $500. All contributions will be pre-tax, and the Carrier will match the employee’s contribution on a pay day by pay day basis.

(e) Details concerning eligibility, contributions, investment options, modification periods, and other provisions shall be outlined in the Plan Document.

RULE 4
COPY OF AGREEMENT

The Carrier shall provide employees with a copy of this Agreement and amendments thereto without cost.
RULE 5
DAY'S WORK – WORK WEEK – SHOP CRAFT EMPLOYEES

(a) Eight consecutive hours for a five day a week assignment and ten consecutive hours for a four day a week assignment, exclusive of the meal period, shall constitute a day's work for which eight or ten hours' pay, respectively, will be allowed. Except as provided herein, no pay will be allowed for days not worked.

(b) The work week for all employees subject to this Agreement will be forty (40) hours, consisting of either five (5) days or four (4) days with two (2) or three (3) consecutive days off in each seven (7). So far as practicable the days off shall be Saturday and Sunday or include either Saturday or Sunday. However, rest days may be changed when operational requirements dictate. This action will not be taken to avoid overtime. Subject to Rule 9, assignments will not consist of less than forty (40) hours per week.

(c) Regular Relief Assignments –

1. To the extent reasonably possible, regular relief assignments with five (5) days of work and two (2) consecutive rest days or four (4) days of work and three (3) consecutive rest days will be established to do the work necessary on rest days of regular assignments, or to perform relief work on certain days and such types of other work on other days as may be assigned under this Agreement. A bulletin shall designate the job relieved.

2. Assignments for regular relief positions may on different days include different starting times, duties and work locations for employees of the same class, provided they take the starting time, duties and work locations of the employee or employees whom they are relieving.

(d) Non-consecutive Rest Days –

The typical workweek is to be one with two (2) or three (3) consecutive days off. However, when customer service so requires, work weeks which may affect the consecutiveness of the rest days of positions or assignments may be adopted pursuant to the provisions of Rule 16.

The Company shall generally consider the following factors in determining non-consecutive rest days:

1. Regular relief positions established pursuant to Paragraph (c) of this rule.

2. Possible use of rest days other than Saturday and Sunday, in accordance with other provisions of this Agreement.

3. Other suitable or practicable plans which may be suggested.
(e) Beginning of Workweek – The term “workweek” for regularly assigned employees shall mean a week beginning on the first day on which the assignment is bulletined to work, and for unassigned employees shall mean a period of seven (7) consecutive days starting with Monday.

NOTE: The expressions “positions” and “work” used in this rule refer to service, duties, or operations necessary to be performed the specified numbers of days per week and not to the workweek of individual employees.

RULE 6
MEAL PERIOD

(a) Unless otherwise agreed to by the Designated Carrier Officer and Local Chairman, the meal period shall not be less than twenty (20) minutes nor more than one (1) hour.

(b) For operations determined to require continuous hours, eight (8) consecutive hours without meal period shall be assigned as constituting a day’s work, in which case not less than twenty (20) minutes shall be allowed in which to eat, without deduction in pay, between the ending of the fourth hour and the beginning of the seventh hour after starting work.

(c) When a meal period is allowed it shall be regularly assigned between the ending of the fourth hour and the beginning of the seventh hour after starting work, unless otherwise agreed to between the management and the duly accredited representative. If the meal period is not afforded within the assigned period and is worked, the meal period shall be paid for at the overtime rate and twenty (20) minutes with pay in which to eat shall be afforded at the first opportunity.

(d) Except when otherwise instructed, an employee shall not be required to work more than three (3) hours overtime after completing eight (8) hours service, without being permitted thirty (30) minutes within which to eat without loss of time. If the employee is not accorded such meal period, he shall be allowed, in addition to actual time worked, thirty (30) minutes additional compensation at overtime rate.

RULE 7
STARTING-TIME

(a) Where work is performed covering the twenty-four hour period, the starting time of each shift will be between the hours of six (6) and eight (8) A.M., two (2) and four (4) P.M., and ten (10) P.M. and Midnight.

(b) It is agreed that at points where the requirements of service can be met in one or two eight (8) hour shift(s) per day, any of the three (3) shifts determined by the preceding requirements of this rule may be utilized.
(c) If the actual requirements of service are such that they cannot be reasonably met by the provisions of Paragraph (b), then one shift may be established based on the actual requirements of service. Where such a special shift is created, the Carrier shall advise the Local Chairman as to the reasons why such a shift must be established to meet actual and necessary requirements of service.

RULE 8
CHANGING STARTING TIME, REST DAYS, AND HEADQUARTER POINTS

(a) Regular assignments shall have a fixed starting time, rest days and headquarter points. The regular starting time, rest days and headquarter points shall not be changed without at least forty (40) hours advance written notice to the employees affected.

(b) When the established starting time of any regular assignment is changed two hours or more, or one or both assigned rest days are changed, or headquarter point is changed the Company shall rebulletin the position. Employees affected may, within seven (7) days thereafter, and upon forty (40) hours advance written notice within such seven (7) day period, exercise seniority rights to any position held by a junior employee. An employee who fails to exercise seniority within the seven (7) day period, must then either displace the junior employee on the seniority roster or bid on a bulletin vacancy where such employee holds seniority. During this seven (7) day period, such employee will perform work as assigned. Other employees affected may exercise their seniority rights in accordance with Rule 20(b).

The seven (7) day period may be extended by reason of leave of absence or vacation, including the rest days during and following such vacation.

(c) When the starting time of an established position is so changed as to convert from day hours to night hours, or vice versa, such change shall be deemed to constitute the abolishment of the position and the creation of a new position subject to bulletining in accordance with Rule 15. Starting times between 6:00 A.M. and 1:00 P.M. (both inclusive) are deemed day assignments; other starting times are deemed night assignments.

(d) When a position is bulletinized pursuant to Paragraph (c), the occupant will remain thereon until it is awarded. If not the successful applicant, he may exercise seniority in accordance with Rule 20(b). Other employees may exercise their seniority rights in the same manner.

RULE 9
OVERTIME

(a) Time worked preceding or following and continuous with the regular work hours, shall be computed on the actual minute basis and paid for at time and one-half rates, with double time computed on actual minute basis after 16 continuous hours of work in a 24-hour period, computed from the time the continuous work period commences, with exception that all time during the employees’ regular shift will be paid for at the pro rata rate.
(b) There shall be no overtime on overtime.

(c) No overtime hours shall be worked or permitted except by direction of the proper supervising official except in cases of emergency where advance authority is not obtainable.

RULE 10
APPLICATIONS

(a) Applications for newly hired employees shall be approved or disapproved within ninety (90) days worked after applicant begins work. If application is not disapproved within the ninety (90) day period, the application will be considered as having been approved.

(b) An employee who has been accepted for employment in accordance with Paragraph (a) will not be terminated or disciplined for furnishing incorrect information or withholding information unless management determines that the information was of such a nature that the employee would not have been hired if the Company had had timely knowledge of it.

RULE 11
SENIORITY DATUM

(a) Seniority begins at the time the employee starts compensated service in a position covered by this Agreement.

(b) Where two or more employees are assigned at the same time on the same day, they shall be ranked in the order of the date of birth with the older as senior.

(c) Any employee covered by this Agreement, who is promoted to an official, supervisory, or excepted position may elect to retain and accumulate seniority within his craft or class represented by the Organization party to this Agreement so long as he continues to maintain his good standing membership with the Organization signatory hereto at the local lodge having jurisdiction at the location the promoted employee holds seniority. In the event an employee who has exercised this option is subsequently removed from such position by the Company (other than through dismissal for cause), he shall be entitled to displace any employee with less seniority in his craft or class on the seniority roster from which promoted, or bid on a bulletined vacancy.

(d) If an employee is promoted and elects not to maintain his good standing membership with the Organization pursuant to the provisions of this rule and thirty (30) days written notice thereof is given to the Appalachian & Ohio Railroad designated officer by the duly authorized representative of the Organization party to this Agreement with a copy to the employee involved, and the employee does not establish a good standing membership in the Organization within said thirty (30) days, said employee's seniority in his craft or class shall cease to accumulate as of the last day of the last month in which he was a member in
good standing and he may not subsequently elect to again accumulate seniority unless he returns to a position in the ranks and becomes a member in good standing of the local lodge having jurisdiction where the employee holds seniority.

(e) Seniority rights of employees to vacancies or new positions or to perform work covered by this Agreement shall be governed by these rules.

(f) Employees voluntarily leaving service will forfeit all seniority and if they re-enter the service will be considered as new employees.

(g) Except as otherwise provided in this Agreement, seniority rights of employees covered by these rules may be exercised only in case of vacancies, new positions, reduction of forces or memorandum of agreements between the parties signatory hereto covering special circumstances which in their judgment require such action.

RULE 12
SENIORITY DISTRICTS

For the employees covered by this Agreement, the entire railroad shall constitute a single seniority district over which employees may exercise their seniority.

RULE 13
SENIORITY ROSTER

(a) A seniority roster showing name, occupation, location, seniority date, and date of birth of all employees within the seniority district will be posted within thirty (30) days following the effective date of this Agreement in places accessible to all employees affected. A copy of the roster will be provided to the Local and General Chairman at the time they are posted.

(b) The rosters will be revised and posted in January of each year and will be open to protest (for errors associated with the new roster only) for a period of thirty (30) days from date of posting and upon presentation of proof of error by an employee, or his representative, such error shall be corrected.

(c) The provision for annual revision and posted of seniority rosters shall not be construed to mean that the duly accredited representatives of the employees will be denied the right to request and receive a revised roster when reductions in force are contemplated or when, due to turn-over in forces, the annual roster does not furnish the information necessary to properly apply the provisions of this Agreement.
RULE 14
WORK ASSIGNMENTS

Except as otherwise provided herein, the Company shall have sole discretion to establish, change from time to time, and abolish work assignments.

RULE 15
BULLETINS

(a) All new positions and vacancies (except those of less than thirty (30) day's duration) shall be promptly bulletined in places accessible to all employees affected for a period of seven (7) working days. Such bulletin will show headquarter point, title and description of position, rate of pay, assigned hours of service, assigned meal period, and assigned rest days.

(b) Employees desiring such position shall within seven (7) days of date of posting of the bulletin file their applications with the officer whose name is signed to the bulletin, sending copy to the Local Chairman. The senior applicant shall be placed on position within ten (10) days following expiration of the bulletin. A bulletin of assignment, designating the successful applicant, shall be posted for a period of five (5) calendar days at all places where the position was bulletined.

(c) When more than one vacancy or new position exists at the same time, the employee shall have the right to bid on any or all, stating preference. Nothing in this rule shall be construed to prevent employees from bidding on any or all bulletined positions, irrespective of whether the position sought is of the same, greater or lesser remuneration.

(d) When an employee bids for and is awarded a position, his former position, if not abolished, shall be declared vacant and bulletined immediately.

(e) Bulletined positions may be filled temporarily pending an assignment. In the event no applications are received, the position may be filled by management by appointment of the junior qualified employee working at the location where the vacancy exists. The former job of the appointed employee shall remain available to such appointed employee unless such job is abolished pursuant to the provisions of this Agreement.

RULE 16
QUALIFYING

(a) An employee who acquires a position through bidding or displacement rights and fails to qualify within fifteen (15) working days will be assigned by the Company for the succeeding five (5) work days. During this period, the employee may exercise displacement rights over junior employees. Each subsequently affected employee shall be afforded the same conditions.
(b) Employees who acquire a position will be given full cooperation by supervisors and other employees in their efforts to qualify.

**RULE 17**

**VACATION AND RELIEF ASSIGNMENTS**

(a) The Company may establish regular assigned vacation relief positions as necessary for vacation relief or other relief work.

(b) Bulletins in accordance with Rule 15 for regular assigned relief positions shall show territory included in the assignment (if applicable), headquarters point, and type of positions to be relieved. Starting time and rest days will be those of the position relieved. Employees holding relief assignments will not be required to fill vacancies more than thirty (30) miles from the headquarters point.

**RULE 18**

**SERVICE OUTSIDE OF REGULAR ASSIGNMENTS**

(a) Employees required to perform service on assigned work days of their regular work week not continuous with the regular work period shall be allowed a minimum of two (2) hours at the overtime rate of pay for two (2) hours work or less, and thereafter on a minute basis.

(b) Employees required to perform service on their rest days shall be allowed a minimum of two (2) hours pay at the overtime rate for two (2) hours work or less, and thereafter on a minute basis.

(c) Service rendered by employees on their assigned rest days relieving an employee assigned to such day shall be paid for at the rate of the position occupied or their regular rate, whichever is higher, with a minimum of eight (8) hours at the rate of time and one-half, unless released early at their own request, in which case they will be compensated under Paragraph (b) of this rule.

(d) Employees required to perform services on Holidays will be allowed a minimum of four (4) hours pay at the overtime rate for four (4) hours worked or less and thereafter on a minute basis.

(e) When a holiday falls on a work day of a regularly assigned employee and his position is worked, and is not combined with another position on the same shift, the regular employee is entitled to be used.

**RULE 19**

**CHANGED DUTIES**

When the duties of any position are so changed that management determines that the occupant cannot perform them satisfactorily, the occupant shall be permitted ten (10) work days to exercise his seniority rights to a position held by a junior employee. This rule may only be invoked when
an employee’s physical or mental condition (as verified by a medical doctor’s report) becomes such that he can no longer perform his regular duties.

RULE 20
REDUCING FORCES OR ABOLISHING POSITIONS

(a) In reducing forces or abolishing positions, seniority rights shall govern. Except as provided in Paragraph (e) and (f) of this Rule, at least five (5) working days advance notice, following the date of notice, shall be given employees affected prior to reduction of forces or in abolishing positions. A copy of such notice shall also be posted on bulletin boards (copy furnished to each Local Chairman).

(b) Employees whose positions are abolished may exercise their seniority rights over junior employees; other employees affected may exercise their seniority rights in the same manner. Employees whose positions are abolished or who are displaced, and whose seniority rights entitle them to a regular position, shall assert such rights within seven (7) days from the date actually affected. An employee who fails to exercise seniority within the seven (7) day period must then either displace the junior employee on the seniority roster or bid the bulletined vacancy where such employees hold seniority. Until the employee exercises his seniority he will perform work as assigned. Employees having insufficient seniority to displace other employees will be considered furloughed.

(c) When forces are increased or vacancies occur, furloughed employees shall be required to return to service in the order of their seniority, except as otherwise provided in this rule. Such employees, when available, shall be given preference on a seniority basis to short vacancies and/or vacancies occasioned by the filling of positions pending assignment by bulletin, which are not filled by rearrangement of regular forces. When a bulletined new position or vacancy is not filled by an employee in service senior to a furloughed employee, the senior furloughed employee will be called to fill the position. The Local Chairman will be furnished a list of men to be restored to service. Furloughed employees failing to return to service within fifteen (15) calendar days after being notified (by certified mail or telegram sent to the last address given) unless proof of disability is furnished within said limits, shall forfeit all seniority and shall be considered resigned. The Carrier shall notify the General Chairman of any resignations.

(d) Furloughed employees desiring to waive their right to return to service on temporary positions or vacancies of less than ninety (90) days may do so by filing written notice with the designated officer as defined above (with copy to the Local Chairman). Such waiver shall be irrevocable regarding the position offered. Employees will be allowed to assume a furloughed status in lieu of the exercising of seniority to a position more than thirty (30) normal route miles from the employees’ headquarters point.

(e) Employees desiring to avail themselves of this rule must, within five (5) calendar days from the date furloughed (last work day), file their names and addresses in writing with the designated officer and the Local Chairman, and advise them promptly of any change in
address. The Carrier will include on the force reduction notice employee’s responsibility to notify the Carrier of his name and address in writing.

(f) Advance notice to employees shall not be required before abolishing positions under emergency conditions, such as flood, snow storm, hurricane, tornado, earthquake, fire or labor dispute other than as covered by Paragraph (g), provided such conditions affect Company’s operations in whole or in part. Such abolishments will be confined solely to those work locations directly affected by any suspension of operations. If an employee works any portion of the day, he will be paid in accordance with existing rules. When the emergency ceases, all positions abolished must be re-established, with former occupants returned to their respective positions and said position need not be rebulletined. If the emergency conditions described herein terminate within seven (7) days, employees will be entitled to return to their former positions at their next usual starting time not less than six (6) hours after the emergency terminates; if the emergency conditions extend longer than seven (7) days, employees will be entitled to return to their former positions at their usual starting time within forty-eight (48) hours after the emergency terminates.

(g) Advance notice to employees before positions are abolished shall not be required where any suspension of the Company’s operations in whole or in part is due to a labor dispute between the Company and any of its employees.

RULE 21
EXPENSES

(a) Employees required to remain overnight at other than their regular headquarters will be allowed actual reasonable cost of meals and lodging. The Company may designate lodging and meal facilities.

(b) An employee willing and authorized by management to use his automobile on company business shall be paid the current IRS mileage rate per actual highway mile.

RULE 22
LEAVE OF ABSENCE

(a) An employee desiring to remain away from service for an extended period of time must obtain permission from his immediate supervisor. In case of injury or illness, leave of absence will be granted upon presentation of acceptable medical evidence.

(b) When the requirements of the service permit, employees, on request, will be granted leave of absence not to exceed thirty (30) days. In cases of emergency or unusual circumstances, the Carrier may extend the leave period up to an additional sixty (60) days. Leave of absence in excess of ninety (90) days in any twelve (12) month period shall not be granted unless by agreement between the management and the duly accredited representatives of the employees except in case of injury or illness.
(c) Except for employees in service for four (4) years or less with the U.S. Armed Forces, an employee who is absent on leave and who engages in other employment shall forfeit his seniority, unless special arrangements have been made between the management and the General Chairman.

(d) An employee who fails to report for duty at the expiration of leave of absence shall forfeit his seniority rights, except when failure to report on time is the result of unavoidable delay, in which case the leave will be extended to include such delay.

(e) Employees desiring to return from leave of absence before the expiration thereof shall be permitted to do so upon forty-eight (48) hours written advance notice to the designated officer with copy to the General Chairman.

(f) An employee retired under the disability provisions of the Railroad Retirement Act shall retain seniority until he attains the full retirement age, but the position vacated by him upon his retirement will be bulletined for permanent appointment, unless abolished. Should he recover sufficiently to resume service prior to attaining the full retirement age, he shall be permitted to exercise seniority over junior employees.

(g) An employee shall not absent himself from work for any cause without permission from his supervisor except in case of injury or illness or for unavoidable reasons when he shall notify his supervisor as soon as possible.

RULE 23

LEAVE OF ABSENCE – EMPLOYEE REPRESENTATIVES

(a) Duly accredited representatives employed exclusively by the Organization shall be granted leave of absence and may return to their former positions or exercise seniority rights within thirty (30) days after release from such employment.

(b) Other duly accredited representatives of the employees shall be granted necessary time off.

RULE 24

RETURNING FROM LEAVE

An employee returning after leave of absence shall return to his former position provided it has not been abolished or a senior employee has not exercised displacement rights thereon. Upon return or within seven (7) days thereafter, such employee may exercise seniority rights on any position bulletined during such absence. In the event the employee’s former position has been abolished or a senior employee has exercised displacement rights thereon, the returning employee will be governed by the provision of Rule 20, and may displace a junior employee if such rights are asserted within ten (10) days after his return. Employees displaced by his return shall have the privilege of exercising seniority rights over junior employees in the same manner.

NOTE: This rule also applies to an employee reporting for duty after vacation, sickness, disability, suspension or after an absence for any other legitimate cause.
RULE 25
ATTENDING COURT

(a) Employees taken away from their regular assigned duties at the request of management to attend court or to appear as witnesses for the Carrier at investigations or hearings will be allowed compensation equal to what would have been earned had such interruption not taken place, and, in addition, actual necessary expenses while away from their headquarters.

(b) Employees attending court or acting as witnesses for the Carrier at investigations or hearings outside of their assigned hours shall be paid for the time devoted to such attendance a minimum of four (4) hours pay for two (2) hours and forty (40) minutes or less, and at the time and one-half rate on a minute basis thereafter.

(c) Furloughed employees will be allowed a day’s pay for each day used as witnesses with a minimum of one day, based on the minimum rate of pay of the position last held and, in addition, necessary actual expenses.

(d) In the event an employee is held away from home station on rest days or holidays, he shall be allowed a minimum of one day’s pay at pro rata rates for each day so held.

(e) Any fee or mileage allowance received by the employee from the court or other tribunal accrued shall be assigned to the Company or such amounts shall be deducted as provided under this Rule.

(f) Active employees failing to attend court or to appear as witnesses for the Carrier at investigations or hearings if requested to do so may be subject to discipline.

RULE 26
JURY DUTY

When a regularly assigned employee is summoned for jury duty and is required to lose time from his assignment as a result thereof, he shall be paid for actual time lost with a maximum of a basic day’s pay at the straight time rate of his position for each day lost less the amount allowed him for jury service for each such day, excepting allowances paid by the court for meals, lodging or transportation, subject to the following qualification requirements and limitations:

1. An employee must furnish the Carrier with a statement from the court of jury allowances paid and the days on which jury duty was performed.

2. The number of days for which jury duty pay shall be paid is limited to a maximum of sixty (60) days in any calendar year.

3. No jury duty pay will be allowed for any day as to which the employee is entitled to vacation or holiday pay.
4. Except as provided in Paragraph (5), an employee will not be required to work on his assignment on days on which jury duty:

(a) ends within four (4) hours of the start of his assignment, or

(b) is scheduled to begin during the hours of his assignment or within four (4) hours of the beginning or ending of his assignment.

5. On any day that an employee is released from jury duty and four (4) or more hours of his work assignment remain, he will immediately inform his supervisor and report for work if advised to do so.

RULE 27
HOLIDAYS

(a) Subject to the qualifying requirements provided herein, each employee shall receive eight (8) hours (for five-day assignment) or ten (10) hours pay (for four-day assignment) at the pro rata rate for each of the following enumerated holidays:

| New Year’s Day | Thanksgiving Day |
| Memorial Day   | Friday after Thanksgiving Day |
| Fourth of July | Christmas Eve |
| Labor Day      | Christmas Day |

(b) A regularly assigned employee shall qualify for the holiday pay if the employee performs at least six (6) hours of compensated service on the workdays immediately preceding and following such holiday or if the employee is not assigned to work but is available for service on such days. If the holiday falls on the last day of a regularly assigned employee’s workweek, the first workday following his rest days shall be considered the workday immediately following. If the holiday falls on the first workday of his workweek, the last workday of the preceding workweek shall be considered the workday immediately preceding the holiday. These qualifications shall also apply to employees relieving regularly assigned employees. If a holiday occurs during an employee’s vacation and the employee performs at least six (6) hours service on his regularly scheduled work days immediately preceding and following his vacation, the employee will receive holiday pay in addition to vacation pay.

All others for whom holiday pay is provided shall qualify for such pay if on the day preceding and the day following the holiday they satisfy one or the other of the following conditions:

(i) compensation for at least six (6) hours of service paid by the Carrier is credited; or

Vacations may be split in segments of not less than five (5) days. Representatives of the Company and the Organization will cooperate in assigning vacation days. (c) Vacation payment to regularly, assigned employees will be calculated at the daily rate of such assignment. Other than regularly assigned employees will be paid on the basis of the average daily rate paid in the last pay period preceding the vacation in which service was performed.

If an employee cannot be released for vacation, he shall be paid the time and one-half rate for work performed during his vacation period in addition to his regular vacation pay.
(d) Employees must perform one hundred twenty (120) days of compensated service in any year to qualify for vacation provided under Paragraph (a) above. Calendar days on which an employee is on vacation or is available for service and on which days he performs no service, not exceeding sixty (60) such days, will be included in the determination of qualification for vacation. Also, calendar days, not in excess of thirty (30), on which an employee is absent from or unable to perform service because of injury received on duty will be included. Furloughed employees are not considered available for service in the application of this rule.

(g) Absences due to vacation shall not be considered as vacancies in applying the rules of this Agreement.

If an employee's employment status is terminated for any reason whatsoever, including but not limited to retirement, resignation, non-compliance with a union shop agreement, or failure to return after furlough he shall at the time of such termination be granted full vacation pay earned up to the time he leaves the service and the vacation for the succeeding year if the employee has qualified therefor under Paragraph (a). If an employee thus entitled to vacation or vacation pay shall die, the vacation pay earned and not received shall be paid to such beneficiary as may have been designated, or in the absence of such designation, the surviving spouse or children or his estate, in that order of preference.

Effective January 1, 2013, the Supplemental Sickness Benefit in (b) above will be increased to $66.00 per day.

RULE 30
DISCIPLINARY PROCEDURE

(a) Employees shall not be disciplined or dismissed until after a fair and impartial investigation, unless they shall accept discipline to be assessed (other than dismissal) in writing and waive formal investigation. Employees may, however, in cases management determines to be serious (such as use of intoxicants, misappropriation of Company property, insubordination, or vicious conduct) be held out of service pending such investigation.

(b) An employee charged with an offense shall be furnished with a letter stating the precise charge or charges against him. No charge shall be made that involves any matter of which the employing officer has had knowledge thirty (30) days or more, except that in cases where an employee is subject to trial in the courts, the employing officer may, if he elects, withhold making a charge on the offense for which the employee is tried until not more than thirty days after the Carrier’s knowledge of the Court’s determination of the employee’s innocence or guilt.

(c) The investigation shall be held within ten (10) days from the date of the notice of the alleged offense, unless additional time is requested by the Company, employee or his representative. A decision will be rendered within ten (10) days after completion of the investigation.

(d) Investigations shall be held when possible at home terminal of the employee involved, unless otherwise agreed between representatives of the parties. Employees shall have reasonable opportunity to secure the presence of representatives and/or necessary witnesses.

(e) Employees may be accompanied by one or more duly accredited representatives of the Organization, who shall be permitted to be present during the entire investigation and examine and cross-examine witnesses to develop facts pertinent to the case. Duly
accredited representatives accompanying an employee not to exceed two (2) persons shall not sustain a loss of pay for assisting the employee provided the investigation is held at the work location of the representative.

(f) If disciplinary action is taken, a record of the evidence taken at the investigation will be furnished to the employee and his duly accredited representative. Appeals from the decision may be made in accordance with the provisions of Rule 31, except that six (6) months shall apply instead of the nine (9) month period.

(g) If charges against the employee are not sustained, they shall be stricken from the records. If withheld from service, suspended or discharged, the employee shall be returned to service with seniority unimpaired and paid for all wage loss and benefits. Such compensated service will be counted as qualifying days under Rules 27, 28, and 33 herein.

RULE 31
TIME LIMIT ON CLAIMS

(a) All claims or grievances must be presented in writing by or on behalf of the employee involved to the officer of the Carrier authorized to receive same within sixty (60) days from the date of the occurrence on which the claim or grievance is based. Should any such claim or grievance be disallowed, the Company shall within sixty (60) days from the date same is filed notify whoever filed the claim or grievance (the employee or his duly accredited representative) in writing of the reasons for such disallowance. If not so notified, the claim or grievance shall be allowed as presented, but this shall not be considered as a precedent or waiver of the contentions of the Company as to other similar claims or grievances.

(b) If a disallowed claim or grievance is to be appealed, such appeal must be in writing and must be taken within sixty (60) days from receipt of notice of disallowance, and the representative of the Company shall be notified in writing within that time of the rejection of his decision. Failing to comply with this provision, the matter shall be considered closed, but this shall not be considered as a precedent or waiver of the contentions of the employee as to other similar claims or grievances. It is understood, however, that the parties may, by agreement, at any stage of the handling of a claim or grievance on the property, extend the sixty (60) day period for either a decision or appeal, up to and including the highest officer of the Company designated for that purpose.

(c) The requirements outlined in Paragraphs (a) and (b), pertaining to appeal by the employee and decision by the Carrier, shall govern in appeals taken to each succeeding officer, except in cases of appeal from the decision of the highest officer designated by the Company to handle such disputes. All claims or grievances involved in a decision by the highest designated officer shall be barred unless within six (6) months from the date of said officer's decision, proceedings are instituted by the employee or his duly authorized representative before the appropriate division of the National Railroad Adjustment Board or a system, group or regional board of adjustment that has been agreed to by the parties hereto as provided in Section 3 Second of the Railway Labor Act. It is understood,
however, that the parties may by agreement in any particular case extend the six (6) months period herein referred to.

(d) A claim may be filed at any time for an alleged continuing violation of any agreement and all rights of the claimant or claimants involved thereby shall, under this rule, be fully protected by the filing of one claim or grievance based thereon as long as such alleged violation, if found to be such, continues. However, no monetary claim shall be allowed retroactively for more than thirty (30) days prior to the filing thereof. With respect to claims and grievances involving an employee held out of service in discipline cases, the original notice of request for reinstatement with pay for time lost shall be sufficient.

(e) This rule recognizes the right of representatives of the Brotherhood to file and prosecute claims and grievances for and on behalf of the employees it represents.

(f) This Agreement is not intended to deny the right of the employees to use any other lawful action for the settlement of claims or grievances provided such action is instituted within nine (9) months of the date of the decision of the highest designated officer of the Company.

(g) Discipline imposed and agreed to in accordance with Rule 30(a) regarding waiver shall be final with no right of appeal.

(h) This rule shall not apply to requests for leniency.

(i) Grievances and appeals will be submitted to the designated officer.

(d) Employees taking personal leave days will not thereby be disqualified for holiday pay.

(e) It is understood that the Company may blank positions when incumbents take personal leave days.

(f) Seniority shall govern in the application of this rule at the points involved.

RULE 34
COST-OF-LIVING ADJUSTMENTS
(Suspended until July 1, 2017)

Cost-of-Living Allowance and Adjustments Thereto After July 1, 2017

Part 1 - Cost-of-Living Allowance and Effective Dates of Adjustments

(a) A cost-of-living allowance shall be payable in the manner set forth in and subject to the provisions of this Part, on the basis of the "Consumer Price Index for Urban Wage Earners and Clerical Workers (Revised Series) (CPI-W)" (1967=100), U.S. Index, all items unadjusted, as published by the Bureau of Labor Statistics, U.S. Department of Labor, and hereinafter referred to as the CPI. The first such cost-of-living allowance shall be payable effective January 1, 2018 based, subject to Paragraph (d), on the CPI for March 2017 as compared with the CPI for September 2017. Such allowance, and further cost-of-living adjustments thereto which shall become effective as described below, shall be based on the change in the CPI during the respective measurement periods shown in the following table, subject to the exception provided in Paragraph (d)(iii), according to the formula set forth in Paragraph (e).

<table>

<tr>

<td>September 2017</td>
</tr>
<tr>
<td>September 2018</td>
<td>March 2018</td>
</tr>
</tbody>
</table>

Measurement Periods and Effective Dates conforming to the above schedule shall be applicable to periods subsequent to those specified above during which this Article is in effect.

(b) While a cost-of-living allowance is in effect, such cost-of-living allowance shall apply to all compensation received under this agreement.
(c) The amount of the cost-of-living allowance, if any, that shall be effective from one adjustment date to the next may be equal to, or greater or less than, the cost-of-living allowance in effect in the preceding adjustment period.

(d) (i) Cap. In calculations under Paragraph (e), the maximum increase in the CPI that shall be taken into account shall be as follows:

<table>
<thead>
<tr>
<th>Effective Date of Adjustment</th>
<th>Maximum CPI Increase That May Be Taken Into Account</th>
</tr>
</thead>
<tbody>
<tr>
<td>January 1, 2018</td>
<td>3% of September 2017 CPI</td>
</tr>
<tr>
<td>July 1, 2018</td>
<td>6% of September 2017 CPI, less the increase from September 2016 to March 2018</td>
</tr>
</tbody>
</table>

Effective Dates of Adjustment and Maximum CPI Increases conforming to the above schedule shall be applicable to periods subsequent to those specified above during which this Article is in effect.

(ii) Limitation. In calculations under Paragraph (e), only fifty (50) percent of the increase in the CPI in any measurement period shall be considered.

(iii) If the increase in the CPI from the base month of September 2017 to the measurement month of March 2018 exceeds 3% of the September 2016 base index, the measurement period that shall be used for determining the cost-of-living adjustment to be effective the following January shall be the 12-month period from such base month of September; the increase in the index that shall be taken into account shall be limited to that portion of the increase that is in excess of 3% of such September base index; and the maximum increase in that portion of the index that may be taken into account shall be 6% of such September base index less the 3% mentioned in the preceding clause, to which shall be added any residual tenths of points which had been dropped under Paragraph (e) below in calculation of the cost-of-living adjustment which shall have become effective January 1, 2018 during such measurement period.

(iv) Any increase in the CPI from the base month of September 2017 to the measurement month of September 2009 in excess of 6% of the September 2016 base index shall not be taken into account in the determination of subsequent cost-of-living adjustments.

(v) The procedure specified in Subparagraphs (iii) and (iv) shall be applicable to all subsequent periods during which this Article is in effect.

(e) Formula. The number of points change in the CPI during a measurement period, as limited by Paragraph (d), shall be converted into cents on the basis of one cent equals 0.3 full points. (By "0.3 full points" it is intended that any remainder of 0.1 point or 0.2 point of change after the conversion shall not be counted.)
The cost-of-living allowance in effect on June 30, 2018 shall be adjusted (increased or decreased) effective July 1, 2018 by the whole number of cents produced by dividing by 0.3 the number of points (including tenths of points) change, as limited by paragraph (d), in the CPI during the applicable measurement period. Any residual tenths of a point resulting from such division shall be dropped. The result of such division shall be added to the amount of the cost-of-living allowance in effect on June 30, 2018 if the CPI shall have been higher at the end than at the beginning of the measurement period, and subtracted therefrom only if the index shall have been lower at the end than at the beginning of the measurement period and then, only, to the extent that the allowance remains at zero or above. The same procedure shall be followed in applying subsequent adjustments.

(f) Continuance of the cost-of-living allowance and the adjustments thereto provided herein is dependent upon the availability of the official monthly BLS Consumer Price Index (CPI-W) calculated on the same basis as such Index, except that, if the Bureau of Labor Statistics, U.S. Department of Labor should, during the effective period of this Article, revise or change the methods or basic data used in calculating such Index in such a way as to affect the direct comparability of such revised or changed index with the CPI-W during a measurement period, then that Bureau shall be requested to furnish a conversion factor designed to adjust the newly revised index to the basis of the CPI-W during such measurement period.

Part 2 - Payment of Cost-of-Living Allowances

(a) The cost-of-living allowance that becomes effective January 1, 2018 shall be payable to each employee commencing on that date.

(b) The increase in the cost-of-living allowance effective July 1, 2018 pursuant to Section 1 of this Part shall be payable to each employee commencing on that date.

(c) The increase in the cost-of-living allowance effective January 1, 2019 pursuant to Section 1 of this Part shall be payable to each employee commencing on that date.

(d) The procedure specified in Paragraphs (b) and (c) shall be followed with respect to computation of the cost-of-living allowances payable in subsequent years during which this Article is in effect.

(e) In making calculations under this Section, fractions of a cent shall be rounded to the nearest whole cent; fractions less than one-half cent shall be dropped and fractions of one-half cent or more shall be increased to the nearest full cent.

(f) The cost-of-living allowance provided for herein will not become part of basic rates of pay.

Part 3 - Application of Cost-of-Living Allowances

The cost-of-living allowance provided for above will be payable and applied as follows:
(a) **Hourly Rates** - Add the amount of the cost-of-living allowance to the hourly rate of pay produced by application of Part 1.

(b) **Application of Wage Increases** - The increase in wages produced by application of the cost-of-living allowances shall be applied in accordance with the wage or working conditions agreement in effect between the Appalachian and Ohio Railroad Inc. and its employees represented by the IAMAW. **RULE 35**

In such cases a minimum basic day’s pay at the rate of the last service rendered will be allowed for the number of working days lost during bereavement leave. Employees involved will make provision for taking leave with their supervising officials in the usual manner. Questions and answers applicable to this rule are attached as Appendix 6.

**RULE 36**
**WAGE INCREASES**

The basic hourly rates of pay on the effective date of this agreement and as increased will be as reflected in Appendix 1.

(b) The parties signatory hereto shall not serve nor progress prior to January 1, 2017 (not to become effective prior to July 1, 2017), any notice or proposal for changing any provision contained herein.

(c) The provisions under Paragraph (b) above shall not bar the Carrier and Organization from agreeing upon any subject of mutual interest.

Section 5.

(a) Each employee covered by the provisions of this Agreement shall be considered by a Carrier to have met the requirements of the Agreement unless and until the Carrier is advised to the contrary in writing by the Organization. Section 3.

(a) Deductions will be made from the wages earned in the second payroll period of the month in which the aforementioned certified statements are furnished to the Company.

(b) The following payroll deductions will have priority over deductions in favor of the Brotherhood as covered by this Agreement:

In cases where no deduction is made from the wages of an employee due to insufficient earnings, or for other reasons, the amounts not deducted shall not be added to the deduction lists nor will that deduction be made for the employee in any subsequent payroll period.

Any questions arising as to the correctness of the amounts deducted shall be handled between the employee involved and the General Chairman, and any complaints against the Company in connection therewith shall be handled with the Company by the General Chairman. Nothing herein shall be construed as obligating the Company to collect any dues or assessments from employees who leave its service, or who give up membership in the Brotherhood for any reason, or whose wages shall be involved in any claim or litigation of any nature whatsoever.

Section 4.

The Company will remit to the union official designated by the General Chairman the amounts due the Brotherhood deducted from the wages of members, making such remittance not later than the last day of the month following the month from which the deductions are made. Section 6.

(a) This Agreement is subject to the provisions of the applicable federal and state laws now in existence or enacted in the future.

(b) This Agreement is subject to immediate cancellation by written notice to the General Chairman of the Brotherhood if the Company is required by federal law or the law of any state in which it operates, to change its pay date or payroll procedures in such a manner as to make dues deduction an unreasonable burden.

(c) This Agreement shall be automatically terminated as of the date official notification is received from the National Mediation Board of a change in the representation of employees now represented by the Brotherhood signatory to this Agreement, or upon termination of the rules and working conditions agreement between the parties.

Section 7.

No part of this Agreement shall be used in any manner whatsoever, directly or indirectly, as a basis for a grievance (except as provided in Section 3(d)) or time claim by or on behalf of an employee.

PHYSICAL DISQUALIFICATION

For those employees who are physically disqualified by the Chief Medical Officer and who disagree with the findings, the following procedure is established:

1) When an employee is found by the Chief Medical Officer to be physically disqualified, he shall be notified in writing by the Chief Medical Officer the specific Medical reasons for the findings. If the employee questions the findings he or his representative shall, within thirty (30) days of his notification of physical disqualification, notify the highest officer of the Company designated to handle claims and grievances in writing of an appeal and submit to the Chief Medical Officer a statement of medical evidence from the physician or the employee's choice attesting to his meeting the Company's physical standards with respect to those matters on which he was found disqualified. Should the Chief Medical Officer continue of the opinion that the employee does not meet the Company's physical standards, he shall notify the employee in writing within fifteen (15) days. If the Chief Medical Officer agrees that the employee met the Company's physical standards at the time of disqualification, the employee will be made whole for wages lost.

2) Should the employee disagree with the Chief Medical Officer's decision following the latter's review of the medical evidence presented, he or his representative may, provided he does so within fifteen days after receipt of the decision, request a three-doctor panel, which shall be established as promptly as possible after receipt of his request. The panel shall be composed of a doctor of the employee's choice, a doctor of the Company's choice and a third doctor selected by the other two. The partisan doctors may present to the third doctor any evidence bearing on the dispute they consider pertinent. The panel shall determine within thirty days of its establishment whether the employee's physical condition meets the Company's standards. A majority decision shall govern.

3) Expenses involved in the application of the rule will be handled by the Company paying its doctor, the employee paying the doctor of his choice, and the expenses of the their doctor including such x-rays, laboratory examinations, as he may require being divided equally between the Company and the employee involved.

4) An employee returned to service on the basis of the decision of the three-doctor panel will be made whole as to wages lost due to disqualification in the event the three-doctor panel concludes his condition did not warrant disqualification at the time of disqualification.

5) Should the three-doctor panel find the employee physically disqualified, the employee may, when he considers his physical condition warrants, invoke again the procedures outlined hereinbefore except that he shall not do so earlier than one
hundred (120) days after the decision of the three-doctor panel. If the employee's physical condition has improved to the extent he is found to meet the Company's standards, he will be physically qualified to return to work but will not be made whole for loss of earnings incurred during the period of disability.

6) In the event the employee or his representative does not appeal the Chief Medical Officer's decision within the time limit specified herein, he shall be considered as having accepted the decision until the time he again presents himself for examination by the Company doctor, in which event the procedure described hereinabove shall be followed.

NOTE: If the Company does not appoint a Chief Medical Officer, the doctor designated by the Company shall function under this supplement.

QUESTIONS & ANSWERS REGARDING BEREAVEMENT LEAVE

Q-1: How are the three (3) calendar days to be determined?
A-1: An employee will have the following options in deciding when to take bereavement leave:
   (a) Three (3) consecutive calendars days, commencing with the day of death, when the death occurs prior to the time an employee is scheduled to report for duty;
   (b) Three (3) consecutive calendar days, ending the day of the funeral service; or
   (c) Three (3) consecutive calendar days, ending the day following the funeral service.

Q-2: Does the three (3) calendar days allowance pertain to each separate instance, or do the three (3) calendar days refer to a total of all instances?
A-2: Three (3) days for each separate death; however, there is no pyramiding where a second death occurs within the three-day period covered by the first death.

EXAMPLE: Employee has a workweek of Monday to Friday - off days of Saturday and Sunday. His mother dies on Monday and his father dies on Tuesday. At the maximum, the employee would be eligible for bereavement leave on Tuesday, Wednesday, Thursday and Friday.

Q-3: An employee working from an extra board is granted bereavement leave on Wednesday, Thursday and Friday. Had he not taken bereavement leave he would have been available on the extra board, but would not have performed service on one of the days on which leave was taken. Is he eligible for two days or three days of bereavement pay?
A-3: A maximum of two (2) days.

Q-4: Shall a day on which a basic day's pay is allowed account bereavement leave serve as a qualifying day for holiday pay purposes?
A-4: No; however, the parties are in accord that bereavement leave non-availability should be considered the same as vacation non-availability and that the first work day preceding or following the employee's bereavement leave, as the case may be, should be considered as the qualifying day for holiday purposes.

Q-5: Shall an employee be entitled to bereavement leave in connection with the death of a half-brother or half-sister, step-brother or step-sister, step-parents or step-children?
A-5: Yes, as to half-brother or half-sister, stepparents or stepchildren, No, as to step-brother or stepsister. However, the rule is applicable to a family relationship covered by the rule through the legal adoption process.

Q-6: Shall bereavement leave payment be applicable when an employee is entitled to vacation period?
A-6: No.
Q-7: An employee qualifies for holiday pay on a holiday which occurs on a day the employee also qualifies for bereavement leave pay. Under these circumstances, is the employee entitled to be paid both the holiday and bereavement leave allowance?

A-7: No. The employee would be entitled to only one basic day's pay.
